Classic Elite Yarns : Classic Elite Knits: 100 Gorgeous Designs for Every Occasion before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic Elite Knits: 100 Gorgeous Designs for Every Occasion:

2 of 2 people found the following review helpful. some interesting cable sweaters
By M. Poller
I love the first two Classic Elite books that came out several years ago so like others I bought this one hoping something would appeal to me. The best ones use cables and mainly are from Kathy Zimmerman like her kinono coat. The Entangled cable pullover is quite nice from Andi Clark. Most of the pictures show very homemade type sweaters that just don't look nice such as too big children's sweaters. However for someone just looking for something standard which has a schematic and charts where needed, this could be useful. A lot of the sweaters are really plain and as someone wrote, can be easily found for free on the internet. I don't know if Classic Elite ever published separately any of these sweaters as I've never come across them. In the back there's an index and also a list of the sweaters giving the

designer. The printing is good and the book which is an overlarge paperback seems to have a good sturdy binding. I think this book would be best for libraries where it will be found on the shelf. 1 of 1 people found the following review helpful. Fantastic Book for the Avid Knitter By Kathy Pearson A great variety of things to knit. This book offers for every pattern a "Equivalent Yarn" recommendation, stating the type I.e. Worsted, DK, Fingerling etc, and the weight number that you associate with the same yarn thickness for knitters not familiar with the jargon. This book is sectioned into chapters all color coded, for example the green tabbed pages are the men's knits, 16 in all. Each pattern has the skill level clearly noted, and not understated, in my opinion. The charts are large, and there is schematic for every sweater. The children's section contains 25 patterns to fit sizes 2 through 10. The book ends with the accessories, 16 patterns with 9 of them classified as beginner or easy. 39 absolutely gorgeous woman sweater patterns starts out the book. Several patterns have a duplicate for a child's size (not in the count above). Simply put there is too much to choose from but you will enjoy pouring over the pages trying to decide. 0 of 0 people found the following review helpful. Knitting book By Kindle Customer I love the book! The pattern I wanted is very easy to follow! There are so many more patterns I would like to knit! What I really like is that with each pattern they list substitution yarn requirements, so you don't have a problem if you can't find, or don't want to use the yarn they used! I would recommend this book to everybody because there is such a variety of patterns for adults and children!

For over 25 years, knitters have relied on premium-quality yarns and patterns from Classic Elite, one of the country's most respected leaders in the knitting industry. Now, Classic Elite Knits gathers a wide variety of their very best designs in one superbly packaged collection. One hundred different, easy-to-follow patterns are included for such essentials as sweaters, hats, and gloves for women, children, and men, as well as accessories such as bags, purses, and scarves. Completely contemporary but crafted to remain stylish for years to come, the patterns are presented in myriad sizes and spotlight the work of such beloved designers as Melissa Leapman, Annie Modesitt, Michele Rose Orne, and Kathy Zimmerman. And the book will appeal to all skill levels: beginners and intermediates will be challenged to expand their repertoires while experts will find plenty of patterns to keep their fingers happy.

About the Author Classic Elite Yarns distributes fine hand-knitting yarns from international mills. In 2001, Classic Elite added a luxury fiber division, providing crafters with cashmere yarns. The company resides in an historic mill on the banks of the Merrimack River in Lowell, Massachusetts.
