Debbie Bliss : Classic Knits for Kids: 30 Traditional Aran and Guernsey Designs for 0-6 Years before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic Knits for Kids: 30 Traditional Aran and Guernsey Designs for 0-6 Years:

17 of 17 people found the following review helpful. the Best Bliss Book
By A Customer....and I mean it. This one is really good. Like many other knitters I have been burned by Bliss' designs often. Her designs do tend to repeat themselves from collection to collection and the pictures, while cute, never show the designs properly. Well, this collection has bw pictures of the items next to the instructions after the color pictures which are huddled in the front of

the book. (I'm talking about a hardcover copy and am assuming that the paperback is identical). The designs are charming and definitely classics. I am buying my own paperback copy and finally returning my library copy. I also recommend the book *Knits for Kids* by Lena Stengard. This one is a keeper 0 of 0 people found the following review helpful. Highly recommended. By Murray LA real classic my wife is 110% satisfied with. 5 of 5 people found the following review helpful. *Knitting for Kids* By Amma Another great Debbie Bliss book... Some really beautiful patterns in this book... Just remember that the end results will come out lots bigger than you think... Very generous sizing...

This book presents 30 traditional knitwear designs for children from 0-6 years old. All of the sweaters are illustrated in full colour. The patterns combine style with practicality and all garments are made up in hardwearing, quality yarns.

From Booklist It's difficult not to "ooh" and "aah" while flipping through the first third--featuring young models in always-in-style sweater designs--of Bliss' latest knits for children. It's also difficult not to wonder why she hasn't yet translated these handmade wearables into adult-size patterns. Only the brave novice and experienced stitchers should try to make any of the 30 patterns. Instructions are couched in the standard format, with U.S. sizes noted and sketches of pattern pieces included. No level of difficulty accompanies each design, and the specified yarns might be hard to locate in this country. Barbara Jacobs About the Author Debbie Bliss, former designer for Baby Gap, is the best-selling author more than a dozen books, including *Baby Knits for Beginners*, *The Baby Knits Book*, *Debbie Bliss Knitting Workbook*, *How to Knit*, and *Simply Baby*.
