Following the highly successful Storybook Favourites in Cross-Stitch and More Storybook Cross-Stitch, this new collection follows the proven format of the earlier books and features inspirational ideas and instructions for projects

which will delight children and adults alike. All the finished items are beautifully photographed and accompanied by clear design charts and a comprehensive colour-key. As well as introducing many of the newer, but no less popular characters, such as Wally and Little Bear, the book features old favourites such as Pinocchio, The Wizard of Oz and, by popular demand, more of Beatrix Potter's delightful Jemima Puddleduck and Little Grey Rabbit are also included. To make it even more user friendly this new book is organised by sections relating to the child's age, such as Nursery Days and Growing Years.

About the Author Gillian Souter was born in Aberdeen but moved to Australia some years ago. She has been a keen cross-stitcher for many years and has drawn once more on her love of children's books to create her popular designs.
