C. Thierry : Classical Ornament (Dover Pictorial Archive) before purchasing it in order to gage whether or not it would be worth my time, and all praised Classical Ornament (Dover Pictorial Archive):

This rare collection, originally published in Germany during the 1860s, presents a wealth of designs from temples and other buildings of ancient Greece and Rome. The seventy-one black-and-white plates include mythological creatures, floral borders, engraved columns and capitals, and many other decorative motifs, all rendered with the delicacy and precision characteristic of classical ornament. A valuable source of royalty-free illustrations, this compilation abounds in images that will provide a touch of authenticity to any graphic project related to ancient Greece or Rome. Fine art aficionados, crafters and designers, and collectors of classical art will rejoice in this inexpensive volume and its hard-

to-find artwork.
