It's like working with wet Kleenex. I was hoping for instructions for simple Origami folds that would look cute laid out for guests. This is not that book. This is regular origami that would work with thin, crisp paper. The instructions are fairly clear for anyone who has done a bit of origami.0 of 0 people found the following review helpful. Folding fun for all ages.By Jill PospisilPerfect addition to my school library. I'll be running a lunchtime origami program for middle school students.0 of 0 people found the following review helpful. Love this for my motherBy BHopMy mom lives in a retirement village and they make different napkin designs for all residents. she really like this book. Thanks for helping me, to help my mother, enjoy life with her new friends and fellow residents.

It's happy hour for crafters! Pretty, colorful, and perfectly sized for folding, the humble cocktail napkin can easily become a beautiful origami figure.
