I did - one to use for my projects I eagerly await to begin and the second as a coffee table book. It is beautiful to look at and go through. Try it! You'll see just how it inspires the artful (and not so artful) mind. 13 of 13 people found the following review helpful. Beautiful By J. Goetz This book is beautiful from the cover and throughout. Great photos of the telamadera process. It is my new favorite addition to my art book collection. 0 of 0 people found the following review helpful. Nice book, By Kindle Customer Interesting concept- not sure book inspired

me to try it. Not bad for price. I thought it would involve some more quilting aspects, but this is strictly using fabric on wood.

Unleash vibrant collage creations using a new process: Telamadera Fusion. Collage Fusion shows you how to create meaningful art with your favorite mediums including fabrics, paint, papers, encaustic and so much more using the Telamadera Fusion process. Artist Alma de la Melena Cox combined the Spanish words for fabric (tela) and wood (madera) to express the combination of vibrantly colored materials that make up this beautiful technique. Clear step-by-step photos and instruction guide you through 20 techniques including how to use a wood-burning tool to add lines and details, working with fabric and paints, and incorporating beads, personal. 10 projects teach you how to incorporate Telamadera Fusion into other art forms, including encaustic, jewelry-making, quilting and more. Finished art pieces for all techniques and projects along with inspirational galleries are sure to spark your creativity. Let Collage Fusion inspire your collage creations!
