Now they are grown and I am expecting a grandson in August so I decided to sew for my grandson and realize that I lost the book. So I now have to buy the book again so that I can cross stitch for my grandson. There are great patterns inside0 of 0 people found the following review helpful. addicted!By Joya RoyThis book has a charming wooded forest scene in the very first pages. It's another Ondori treasure.2 of 4 people found the following review helpful. Like this but no loveBy dixieannI usually love Ondori this book wasn't as great as expected but I do use it, I think it was worth ordering. All Ondori is sweet and cute.

96 pages of wonderful counted cross stitch designs.
