2 of 2 people found the following review helpful. DisappointingBy RLhivaAfter reading the reviews, I was really excited to get this book. I have just recently started coloring to help me de-stress and was very excited to get this holiday themed book. The book does not feel like an adult coloring book at all. With the exception of about 2 pages, most of the designs lack detail and are too simplistic.0 of 0 people found the following review helpful.
