George Whitaker Ware : Complete Guide to Pest Control With and Without Chemicals before purchasing it in order to gage whether or not it would be worth my time, and all praised Complete Guide to Pest Control With and Without Chemicals:

Complete Guide To Pest Control is intended to present a comprehensive picture of major pests and their management in and around the home, garden, lawn, greenhouse, and small orchard. It will be valuable, not only to the home owner, but also to owners of small farms, professional gardeners, grounds keepers, golf course superintendents, structural pest control operators, and to students enrolled in various pest control, ecology, and environmental studies.
