Linda Chaney, Laura Gerth : Contain It! English Paper-Pieced Style Accessories before purchasing it in order to gage whether or not it would be worth my time, and all praised Contain It! English Paper-Pieced Style Accessories:

6 of 6 people found the following review helpful. So excited about this book!By RuyanaI love hand-sewing and paper piecing and there are so many wonderful designs in this book I'm having a hard time picking the first project. Just a super book and one I am very glad to add to my library. Many of the projects would make excellent gifts.0 of 0 people found the following review helpful. Great Book!By Charlene SquireI had seen the book before I ordered it, and I'm looking forward to using some of the patterns. Book arrived in perfect new condition.0 of 0 people found the following review helpful. Five StarsBy Linda R. Robertsgreat book, would have liked a few more pictures of the assembly

This mother-daughter duo makes English paper piecing 3-D and ready for gift giving. Create structurally sturdy fabric

containers using English paper-piecing methods. This mixed-technique and pattern book appeals to quilters, sewers, and crafters. Make elegant desk sets, candleholders, vases, and heart- and star-shaped containers for your home or for gifts.

About the Author Linda Chaney is a retired research scientist. She loves experimenting with new techniques and discovering new gadgets. She lives in Omaha, Nebraska. Laura Gerth works with international students at the University of San Francisco. Having learned to quilt under the tutelage of her grandmother and mother, she enjoys collaborating with her mother on quilting projects. She lives in San Francisco, California.
