Eileen Roche : Contemporary Machine-Embroidered Accessories: Transform Everyday Accessories into Designer Originals before purchasing it in order to gage whether or not it would be worth my time, and all praised Contemporary Machine-Embroidered Accessories: Transform Everyday Accessories into Designer Originals:

0 of 0 people found the following review helpful. Great designs.By G. A. CroftGreat designs. Fast shipping, item as described very well packed. Just what I needed! I will shop with this seller again.1 of 1 people found the following review helpful. Love this BookBy Mary BWell written, easy to follow instructions and tips/hints. Made several items out of the book with great success. Completed continuous embroidery with no problem. Glad I purchased and not only made patterns from the book but have learned things to allow me to make my own patterns/designs.0 of 0 people

found the following review helpful. Great BookBy SkyeisleI really enjoy this book and the ideas it contains. It has a permanent spot on my craft room bookshelf.

In this companion guide to "Contemporary Machine-Embroidered Fashions" (ISBN: 0-89689-303-0) sewers learn how to select the right fabrics, patterns and sewers will learn how to select the right fabrics, patterns and embroidery designs to create the accessories they crave. Whether it's co-ordinating with garments featured in the companion book or with fashions they already own, readers will discover valuable stabilizer secrets and easy-to-follow instructions compatible with any machine. Fashion-conscious women of all shapes and sizes will be thrilled with these projects, including scarves, hats, belts, gloves, and more, featured in this must-have machine embroidery reference.

About the Author Eileen Roche is the founder of the industry-leading Designs in Machine Embroidery magazine, and a frequent guest on PBS Television shows. She's designed embroidery collections for Amazing Designs and for her own magazine, and is the author of Contemporary Machine Embroidered Fashions and Contemporary Machine Embroidered Quilts.
