Most want directions not in book. 1 of 1 people found the following review helpful. I expected more because Jill Wiseman had used it and I love everything Jill Wiseman makes. By Customer I saw Jill Wiseman demo one of the necklaces in this book and that is why I ordered the book. But I found that for most of the jewelry in the book, it was just not my style and I did not make anything in it. I expected more because Jill Wiseman had used it and I love everything Jill Wiseman makes! 1 of 1 people found the following review helpful. Awesomeness!! By Susan

B. Very awesome book! I love the mix and match and how with only a few pieces you can make many looks. I have the privilege of being acquainted with Diane: she is a fun, funny and talented designer and her personality shows through in this book. The projects are for all levels of beaders. Highly recommend!

Diane Whiting presents the idea that convertibility isn't just about using pieces in multiple ways; it is also about using skills and creativity in multiple ways. Using ever-popular sparkling crystals, Diane showcases design elements through various techniques for fun, easy, fashionable jewelry. With 25 projects, the reader can choose from bracelets, necklaces, and earrings that match any outfit or style.

About the Author An ambassador for the Swarovski Elements Create Your Style campaign, Diane Whiting teaches at many notable bead shows, bead societies, and local bead stores. She lives in San Diego.
