Tabetha Hedrick : Cool Chunky Knits: 26 Fast Fashionable Cowls, Shawls, Shrugs More for Bulky Super Bulky Yarns before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cool Chunky Knits: 26 Fast Fashionable Cowls, Shawls, Shrugs More for Bulky Super Bulky Yarns:

Clear, easy-to-follow instructions, and the charts were so helpful (normally I'm not a chart knitter at all). Plus the photography is creative and beautiful, and I love the stitch patterns. You do need to check your gauge and make sure it matches up, but you should do that with

any project you knit (I also think this was the problem for the person who had small mitts). You don't have to buy the recommended yarn, though the project will look so pretty if you do! Cannot recommend this book highly enough!! 1 of 1 people found the following review helpful. Right on trend and something for everyone! By Mary Beth Temple The author was prescient! Nothing is more on trend this season than chunky knits - and this book has a nice variety of projects, meaning everyone from the beginner to an expert knitter can find something to make. Projects include basics like hats and scarves, but there are also sized garments. And whether you are into lace, cables, or mindless Knitfixing, there is something here for you. The photography is excellent - I really appreciate the close up shots so the stitch patterns can be seen. And there are terrific how-to photo tutorials in the back of the book to help any knitter learn or get a refresher on any techniques they may not be comfortable with. So grab this book, some materials, and improve your knitting while improving your wardrobe at the same time! 1 of 1 people found the following review helpful. Great styles and patterns By Susie Great styles and patterns. Guessing the previous review of the fingerless gloves problem was a gauge issue. I have made several of Tabetha's designs with amazing results! Can't wait to knit the slouchy hat. My adult son lives in these in the winter here in Colorado...
