Celia Baham : Costumed Teddy Bears: 14 Patterns for Bears in Body Suits (Creative Crafters) before purchasing it in order to gage whether or not it would be worth my time, and all praised Costumed Teddy Bears: 14 Patterns for Bears in Body Suits (Creative Crafters):

There is no need to fuss with dressing your teddy bear if you follow the patterns in this book by award-winning artist Celia Baham -- the costumes on most of these fourteen teddy bears are an integral part of their body construction. The projects are organised by level of difficulty, so you can learn new techniques as you progress from the easiest -- Tina,

who wears a simple dress made from two doilies -- to the most complicated: Mrs Farmer, dressed for a visit to town. Basic directions for creating teddy bears are included, as well as a list of helpful resources.
