William Moss : Cotton spinning companies' accounts before purchasing it in order to gage whether or not it would be worth my time, and all praised Cotton spinning companies' accounts:

This book was originally published prior to 1923, and represents a reproduction of an important historical work, maintaining the same format as the original work. While some publishers have opted to apply OCR (optical character recognition) technology to the process, we believe this leads to sub-optimal results (frequent typographical errors,

strange characters and confusing formatting) and does not adequately preserve the historical character of the original artifact. We believe this work is culturally important in its original archival form. While we strive to adequately clean and digitally enhance the original work, there are occasionally instances where imperfections such as blurred or missing pages, poor pictures or errant marks may have been introduced due to either the quality of the original work or the scanning process itself. Despite these occasional imperfections, we have brought it back into print as part of our ongoing global book preservation commitment, providing customers with access to the best possible historical reprints. We appreciate your understanding of these occasional imperfections, and sincerely hope you enjoy seeing the book in a format as close as possible to that intended by the original publisher.

About the Author William Moss career has involved oil and gas exploration, real estate development, ranching operations, security investments, motion picture and television production, and public service. Among his many accomplishments, Moss has organized and successfully operated 15 corporations. He established the Free Enterprise Institute at Southern Methodist University and was appointed to the Executive Advisory Board of the Margaret Thatcher Foundation. Moss served on the George H. W. Bush for President National Steering Committee. From 1989 to 1992, he was Chairman of the Presidents Drug Advisory Council which was part of the Executive Branch of the White House. He also served on the Board of Trustees of the American University in Washington D.C. Currently Moss serves as a Trustee of the George H. W. Bush Presidential Library Foundation. He is a member of St. Michael's Episcopal Church in Dallas, Texas, and is active with the Fellowship of the Society of St. John the Evangelist Monastery in Cambridge, Massachusetts. Since becoming an Episcopalian in 1995, he has pursued Bible study, written many prayers, joined Alcoholics Anonymous, and studied Christian meditation. He resides in Dallas with his wife Dianne and little dog Champ.
