Jana Hauschild Lindberg : Counted Cross Stitch Designs for the Home before purchasing it in order to gage whether or not it would be worth my time, and all praised Counted Cross Stitch Designs for the Home:

4 of 4 people found the following review helpful. ok, if you like floral/botanical cross stitchBy zookie99This is an ok cross stitch book. There are color photos of the finished charts. Most of the designs are botanical, but there are few others (a very simple teddy bear, and a very simple duck pattern).
