Tracy Warrington : Country Chickens and Roosters Cross Stitch Patterns before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Chickens and Roosters Cross Stitch Patterns:

This book includes four fun country chicken and rooster cross stitch patterns perfect for decorating your home. Included are two country hens that are the same size and facing each other so they could be stitched as a matching pair. There are two roosters as well - one is a large realistic style and the other is small and whimsical. Patterns are created with black and white symbols on large charts for easy reading. Full color pictures are included for reference.
