#128398 in Books Carol Wright Gifts 2016-06-01 Original language: English 10.70 x .20 x 8.80l, 4.10 #File Name: 099735710X Artistic (and stress-relieving) fun for all ages! Coloring is stress relief and relaxing meditation for all ages! And perhaps best of all, coloring is fun! Grown-up coloring books are gaining in popularity. Ours include detailed patterns and whimsical scenes, suitable for coloring with your own crayons or colored pencils (not included). Each picture includes positive quotes on each page, space to add your artist's signature and date and a place for a note on the reverse. Pictures can be easily removed from the book for framing and proud display. These aren't your kids' coloring books! If you haven't colored for years, you'll remember the fun and creativity from your childhood! And the relaxation benefits are great for mental and physical health. Available in your choice of theme - the images are more sophisticated and complex than those found in kids' coloring books. | File size: 66.Mb

From Carol Wright Gifts : Country Coloring Art before purchasing it in order to gauge whether or not it would be worth my time, and all praised Country Coloring Art:

0 of 0 people found the following review helpful. Two-sided pages, too much lettering
By LynDisappointed in the two-sized print. Bad for bleed-through. Also has too much lettering along with the art
The description does not let one see what's inside, unfortunately.
1 of 1 people found the following review helpful. Love the pictures.
By Colorist45I like the farm homey type pictures. Fun.

By vickveeI really like this book, but the drawing is off in places. The lines don't always match up . But I work around these issues.
