**Ellen Stouffer : Country Cross-Stitch Designs** before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Cross-Stitch Designs:

Ellen Stouffer is a true mistress of her art and she will inspire all cross-stitchers to aspire to greater heights. I was given this book as a gift about seven or eight years ago and I still trawl through it when I am in need of inspiration.Her work does come in rather muted tones and if you are not one to appreciate the tiny and intricate you might feel this is not for you.However if you do pick this book up I defy you not to fall under Ellen Stouffer's spell.

An American Sampler 1990. A hard cover book full of cross stitch charts and project ideas featuring the designs of Ellen Stouffer. Charming country themes.
