I received the book promptly and it was in fantastic condition and now my projects will be done in time for Christmas!0 of 0 people found the following review helpful. Very happy with my order.By Barbara AndersonIt was just what I was expecting. I had this pattern years ago and had lost it. I really didn't expect to find it. It arrived sooner than I expected. Thank you

From a Country English Lithograph 1782 comes this Posture Alphabet Sampler. Meticulously transformed into counted cross stitch, the clever wit of the British people comes alive. Enjoy the pleasure of country stitching with a british flare.
