Janet Tipton : Country Seasons (Cross-Stitch) before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Seasons (Cross-Stitch):

0 of 0 people found the following review helpful. Love the BookBy Kathy RatliffHad the book but lost it. Cant wait to do some of the patterns. I have some of the patterns already from this book but lost it. Was glad to find it.0 of 0 people found the following review helpful. Best book in my plastic canvas collectionBy dixieannThis book has some of the cutest patterns I have seen and I have an extensive collection of patterns. It has a raffia grape patter set (so great) and a set for the kitchen with chicken and eggs (very cute) something for every season.
