Maureen Little : Country Skills and Crafts: How to use, barter or sell what you raise, grow and make before purchasing it in order to gauge whether or not it would be worth my time, and all praised Country Skills and Crafts: How to use, barter or sell what you raise, grow and make:

1 of 1 people found the following review helpful. Two Stars By Fracritel Very little Barter info..perhaps a page the word Barter ..should not have been part of the title

'Country Skills and Crafts' contains expert information on a wide range of cottage industries and rural skills and competences.

'Packed with case studies, practical information, rules, regulations and guidance on how to make a living through your livestock, gardening, crafts and cooking.' Home Farmer. 'A real insight into the practical knowledge of skilled country

living.' Ladies First
About the Author
MAUREEN LITTLE is a gardener, beekeeper and rural businesswoman. She has written on a wide range of subjects, including bee-friendly gardening, growing herbs, and making preserves. Her most recent book, *The Bee Garden*, was published in 2011. CRAIG HUGHES gave up a successful career to live the 'good life' as a professional beekeeper, smallholder and author. He is also a classically trained chef who has a strong desire to promote local, seasonal, and sustainable sources of food.
