**Kathreen Ricketson : #Craft: 50 Projects in 40 Stitches or Less** before purchasing it in order to gauge whether or not it would be worth my time, and all praised #Craft: 50 Projects in 40 Stitches or Less:

#Craft is a retro-style collection of 50 of the best fun, crafty, and creative projects to be whipped up by keen crafters everywhere. Beading, sewing, felting, and papercraft, oh my! Featuring 50 creative projects that take fun to new heights, #Craft is packed with entertaining ways to while away an afternoon. Stitch together a hanging art pouch, create bird mobiles out of paper, make jewelry out of felt, and create magnets and wristbands out of beads. With Kathreen's easy-to-follow instructions for turning a few simple materials into amazing crafty creations, #Craft will get your imagination and creativity flowing with loads of colorful and fun-filled projects.

About the Author Kathreen Ricketson was an acclaimed Australian crafter, designer, and writer. She was the founder of whipup.net, the online handcraft hub, and action-pack.com, an e-magazine for kids who want to get crafty. Her work has been featured on popular craft blogs such as Design\*Sponge and Craftzine. She is the author or editor of eight books, including the Kids Crafternoon series, Whip Up Mini Quilts, Little Bits Quilting Bee, and Brave New Quilts.
