Tons of photos. This is a must have book for any crafter looking to try out new crafts without having to spend money and time on classes or books and books on subjects you just want to try.

From textile crafts to beadwork and soap making to glass work, 'Craft' is crammed with over 50 inspiring projects and over 300 techniques for crafters of all abilities. Follow step-by-step photographs, simple text and advice on the tools and materials you need to create your own beautiful objects.

"The book is a comprehensive guide to a variety of craft techniques, written by top crafters in their fields." The Cape Cod Times
