I love the timeless designs and easy to read instructions with a lot of pictures. I bought this book for my daughter who is beginning to learn wire jewelry. I loved it so much I ordered it for myself as well. 2 of 2 people found the following review helpful. Basics and little more By towhit Good basic earring book, but have modified some of the directions to suit myself. Some of the projects make nice pendants, too. 1 of 1 people found the following review helpful. Love It! By Cathy-Adel, IAI now own all of Linda Jones' books. She has great instructions

and pictures showing exactly how to make all the projects in this book.

35 gorgeous earrings, made with wire and beads, for any occasion. Making your own handcrafted jewellery is both enjoyable and satisfying, and beads and wire are so simple to use that even a beginner can make stunningly pretty pieces. Linda Jones teaches you all the techniques you'll need to know for working with wire and beads, from the specialist tools and materials needed to how to make jump rings, spirals and earring findings, as well as hardening your work so that it withstands the strain of being worn. Then discover a wide variety of beautiful earrings to make within the six chapters: Classic Chic, Historic Charm, Fashion Focus, Glitz Glamour, Vintage Style and Celebrations Occasions. There are timeless styles such as droplets and hoops, but also more quirky designs, such as the Greek geometric earrings, and elaborate projects such as the Bead Bunch earrings or the Celtic-inspired Triskele earrings. Whether you want to make a gift for a friend or something to wear yourself, there is something for everyone here. Each project also has easy-to-follow, step-by-step photography so both beginners and experienced jewellery-makers can make these beautiful earrings.

About the Author Linda Jones trained at the Metropolitan University, London, specializing in enamelling. She began teaching wire jewellery eight years ago, and now runs creative wire workshops from her studio in Kent. She also designs and makes one-off pieces to commission. Linda is the author of six books on the subject of wire jewellery, all published by CICO Books.
