**Nicholas Kniel, Timothy Wright : Creating Ribbon Flowers: The Nicholas Kniel Approach to Design, Style, Technique Inspiration** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Creating Ribbon Flowers: The Nicholas Kniel Approach to Design, Style, Technique Inspiration:

10 of 10 people found the following review helpful. Sophisticated playful Ribbonwork ContinuesBy cynclaireThe Oct 2005 version (reds against black cover), by comparison to this revision, is a copy of a personal work-book. The 2005 book has hand-sketches and a few personal tips. Most of the 2013 book text is identical. The edits have the tone of a thoughtful revision. The photography is brighter updated, the page layout polished, and helpful step-by-step visuals such as adding a pin, stem or clip. Techniques such as crinkle, crimp, fray or pleat are pictured. The anemone, daffodil, fuschia and a couple lilies have disappeared and are replaced with idea inducing pictures. Both revisions are titled "flowers", however both contain the ambitious cockade and medallion. The 2005 version is charming, but I will use the new book and prefer the current pictures colors. This a use-able how to book, beautiful and affordable. The UK version features the cockade on the cover and is available through Nicholas' web site.1 of 1 people found the following review helpful. Just love this bookBy candeeWOW! Just love this book. I need a lot of pictures,simple info.This is it!1 of 1 people found the following review helpful. Five StarsBy Christy PolsonPhotography is fantastic! Great instructions for new creative flowers.

Master the art of ribbon flowers!Nicholas Kniel and Timothy Wright teach their method of creating gorgeous ribbon flowers in this collection of illustrated, step-by-step lessons. With only a few yards of ribbon, you can make the perfect embellishment for any garment, home decor item, wedding party and more.33 flowers provide a wide range of options for any craft or sewing project.9 project ideas inspire you to create popular ribbon flower items, such as corsages, boutonnieres, French bulletin boards, bouquets and hair pins, or to design your very own creations.10 techniques describe how to prepare ribbons for use and how to finish the final flower with clips, pins and stems.

About the AuthorNicholas Kniel has a Bachelor's degree in fashion design from American College and has previously designed couture evening and wedding gowns. He opened the Nicholas Kniel - Fine Ribbon Embellishments boutique in 2000. His designs can be viewed at <http://nicholaskniel.com>.Timothy Wright creates the written directions for all of Nicholas Kniel's flower projects and teaches many of the classes.
