**Linda Jones : Creating Wire and Beaded Jewelry** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Creating Wire and Beaded Jewelry:

1 of 1 people found the following review helpful. Arrived on time and in good shape. Some of the projects are a little ...By CustomerArrived on time and in good shape. Some of the projects are a little simple for me and not to my taste but a newbie would do well with this book. Good instructions and pictures.1 of 1 people found the following review helpful. Beginner BookBy JaclynPretty much a beginner book, not bad for projects.1 of 1 people found the following review helpful. Clear Instructions for Beginner/Intermediate Projectsnot very many ORIGINAL ideas, though.By Rather be at the BeachThis book gives clear instructions on how to make Beginner to Intermediate projects. There are plenty of good photos showing each stage of making a project. The reason I didn't give a high rating for the book is that the projects closely resemble projects I have seen in many books, are not meticulously finished (you can see tool

marks on some finished projects, for example) and just don't inspire me, yet there are a few really cute ideas. I recommend the book for Beginners.

With this easy-to-use guide, jewelry designer Linda Jones shows readers how to create stylish pieces of their own, with just three pieces of equipment and the minimum of fuss. This book includes: \* 35 simple-to-make projects, including jewelry for weddings and pieces based on classical designs \* Ideas for fashionable designs using just wire, which is flexible and easy to fashion into a variety of shapes, and simple beads \* Step-by-step instructions to guide crafters through each project, along with creative ideas to spark readers' own designs Anyone eager to make heirlooms will welcome the simplicity and ease of these projects, making Jones's guide the perfect introduction to this versatile craft.

About the Author Linda Jones studied jewelry making in London. She is now an established jewelry designer and teacher, and makes a popular range of wedding jewelry. She lives in London, England.
