From Kalmbach Books : Creative Beading Vol. 6 before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Beading Vol. 6:

0 of 0 people found the following review helpful. Another Great Volume from Kalmbach Publishing!By GraehoundI absolutely adore each of the volumes in the Creative Beading series, and this is no exception. Great variety of projects in different techniques and with different skill levels, every design clamours to be made or modified. Whenever I have creative block in developing my own patterns, I open up one of these books and am quickly back on track. The photography and instructions are consistently excellent, as are the extra bits of advice or variation suggestions.0 of 0 people found the following review helpful. worth purchasing for the right priceBy Pamla MixerBeautifully illustrated hardcover. Multitude of designs within for loads of inspiration. Keep in mind though, that all designs within have been previously published within their magazines. Still worth purchasing if price is right!0 of 0 people found the following

review helpful. Chalk full of goodies!By RmcclainI love this collection of beautiful and inspirational projects, articles and great ideas! The book is chalk full of some of the very best projects from Bead and Button magazine that are beautiful and easy to follow for both beginner to advanced beaders! Highly recommend this collection and hope that Bead and Button continues to put out these great volumes!

This volume of Creative Beading includes more than 75 projects to inspire beaders. Each of the books three sections, stitching, wirework, and miscellaneous, contains a wealth of editor-tested projects, and includes a range of stringing, wirework, and bead crochet projects in addition to the fantastic stitching projects for which BeadButton magazine is known. This book also includes thorough sections on basics, tools, and materials, making getting organized easy for readers.

About the AuthorBeadButton magazine is based in Waukesha, WI.
