**From Brand: Kalmbach Books : Creative Beading Vol. 8: The Best Projects From a Year of BeadButton Magazine** before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Beading Vol. 8: The Best Projects From a Year of BeadButton Magazine:

This volume of Creative Beading includes more than 75 projects to inspire beaders. Each of the books three sections, single-stitch, multi-stitch, and wirework stringing, contains a wealth of editor-tested projects by many well-known designers. This book also includes thorough sections on basics, tools, and materials. This is one of the only book series that compiles almost every project from a years worth of magazines. The large number of projects this book offers,

and the great quality of this hardcover book makes it a great value.
