**Valentina Harper : Creative Coloring Flowers: Art Activity Pages to Relax and Enjoy!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Coloring Flowers: Art Activity Pages to Relax and Enjoy!:

42 of 42 people found the following review helpful. Fun and relaxing coloring experience, one image per page (back blank).By E. CatoI love the patterns used by Valentina Harper. I have all of her books and they are my favorites. One image per page (back blank). Very relaxing to color in these books!20 of 20 people found the following review helpful. Very creative flower illustrationsBy Mystery QueenI love Creative Coloring books, and this is definitely my favorite so far. Beautiful flower designs. There's a couple in here that do not have the circular patterns, which was nice for a little added variety. Each illustration is printed on one side, and on perforated paper. I actually like the quality of the paper compared to other books I've purchased. It's not super thick, but has a decent weight to it, and I like the smooth texture. However, you will get a fair amount of bleed through, especially using alcohol based markers. As

with the other books there is basic color tips and several pages of colored illustrations for inspiration. As well as inspirational quotes on the back of each coloring page, with a couple lines so you can write a little something on the back, if you wish. Again, if you're using alcohol based markers, they will pretty much cover all that up due to bleeding. Really cool book for colorists! 4 of 4 people found the following review helpful. Awesome!!!!!! By MaryDI'm an avid card maker .... the quality of the paper Ms. Harper uses is really nice and takes the color well from my color pencils. I really like that there is one design per page (none on the page ... but a quote and place for notes is on the back). The perforated pages are a big plus too. Highly recommend this book and author.

Inject a little whimsy into your daily grind! Inside are 30 relaxing and creative activities that invite you to lose yourself in floral fantasy. Talented artist Valentina Harper opens up a world of artistic fulfillment in this inspiring coloring book for grown-ups. You don't need to have the skills of an artist to personalize these rich, intricate drawings. Printed on high quality extra-thick paper that won't bleed through, all pages are pre-perforated for easy removal and display. They're perfect for decorating with markers, gel pens, watercolors, or colored pencils. Each activity is designed for creative experimentation. Valentina offers valuable tips on her distinctive, easy-to-learn patterning techniques. And as an added bonus, best-selling craft author Marie Browning joins the fun with beautiful coloring examples. So get your doodle on!

My office team literally took a double-take at these adult coloring books. Beautifully illustrated to keep anyone's attention, making the coloring process fun as each page is decorated with one's unique colors and style. They're also a great tool for aligning one's thoughts with empowering truths and unleashing creativity. --Mike Dooley, NY Times Bestselling author of *Infinite Possibilities*
