The Editors of Creative Publishing international : Creative Floral Arranging: How to Decorate with Fresh, Dried Silk Flowers before purchasing it in order to gauge whether or not it would be worth my time, and all praised Creative Floral Arranging: How to Decorate with Fresh, Dried Silk Flowers:

5 of 5 people found the following review helpful. My Current Favorite By Wendy I've borrowed many books on floral design from libraries for instruction and inspiration. This is one of the few that I chose to purchase for my own reference as I work with permanent botanicals. It is well rounded but focuses more on silk and dried techniques. Although I am not a beginner, I found the opening chapter on floral design principles thorough and helpful. Most designs are classic enough to still be relevant even though book was published in '97. Beautiful photos of multiple creative designs in each category and the authors tips motivate the adaptation of ideas to your specific needs and

personal style. I highly recommend this book to anyone who wants to create beautiful arrangements of their own.² of 2 people found the following review helpful. Creative Floral Arranging By jmd I REALLY LOVE THIS BOOK. THERE ARE SOME GREAT IDEAS AND BEAUTIFUL ARRANGEMENTS TO INSPIRE ANYONE, FROM BEGINNER TO PRO. HOWEVER, I WAS HOPING FOR A RESOURCE LIST. THEY SAY YOU CAN GET THE SILKS AT HOME STORES AND CRAFT STORES, AND MANY FLORISTS, BUT I'M LOOKING FOR THE QUALITY THAT IS SHOWN IN THE BOOK. I'VE NEVER SEEN THIS QUALITY OF SILKS (OR VARIETY) AT A CRAFT STORE OR A HOME STORE. ANY SUGGESTIONS? 0 of 0 people found the following review helpful. Five Stars By Joansynice

Discover original ideas for decorating with fresh, dried, or silk flowers and foliage! Learn the basics of floral design and techniques for drying and pressing flowers while making beautiful centerpieces, garlands, baskets, wreaths and topiaries. Achieve professional quality with the satisfaction of creating it yourself! It's easy too, thanks to the great color photographs and illustrations that help you through each idea, step-by-step.
