They are easy to follow whether you are a beginner or advanced quiller. I've learned so many things from not only her books but from her blog as well. I love her enthusiasm for not only quilling but for all things paper! And now I see how she came about the name of her blog! LOL She is a very good teacher and explains things in a way that are easy to follow and she'll have you falling in love with the craft in no time at all! If you haven't discovered this beautiful lady yet you've really been missing out!0 of 0 people found the following review helpful. Very nice book!By Sandy T.A great colorful book of ideas for me to attempt my very first quilling project.

Creative Paper Quilling contains 28 brand new and exciting quilled designs. Join Ann Martin and other accomplished quilling artists as they share expert technique information, helpful tips and eye-catching designs that are sure to appeal to crafters of all skill levels. Enjoy creating greeting cards for a variety of occasions, charming ornaments for your favorite holidays, stylish jewelry pieces to enhance your wardrobe, and unique wall art and home accents. The Quilling Basics chapter equips readers with sufficient knowledge of supplies and tools to get them started. The Shape Gallery includes images of the quilled shapes used in the book and provides instructions and step-by-step details needed to create each shape.

About the Author Ann Martin is a designer and the author of the book *All Things Paper: 20 Unique Projects from Leading Paper Crafters, Artists, and Designers* and the blog *All Things Paper*. Her designs have appeared in various craft books, magazines, and websites, and she appeared on the HGTV show *That's Clever* to demonstrate quilling techniques. She lives in Wilmington, Delaware.
