Michael Grater : Creative Paper Toys and Crafts (Dover Craft Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Creative Paper Toys and Crafts (Dover Craft Books):

Noted author and craft consultant Michael Grater explores the many creative and beautiful ways in which you can use a simple yet exciting material: paper. His clearly written, well-organized text with photographs, diagrams, and easy-to-follow instructions incorporates techniques and shapes, and teaches you how to make models, figures, and mobiles

from set-up to finished project. Introduction. 181 black-and-white illustrations.
