There are bent pages and the cover is bent and back cover separating . The \$6 sticker on it when I paid \$22 is also an annoyance.0 of 1 people found the following review helpful. Great BookBy CustomerI really think this book is great for anyone looking to try new things as well as gain insight on various art retreats around the country. If you are wanting to start teaching this is a great book for your also. It really goes into why different artist teach and how they got started. It is worth the money, you will not be disappointed0 of 1 people found the following review helpful. A dream of a trip!By Rebecca E. NeafusI so enjoyed this book and to be honest I am still enjoying by looking back at the projects and the artists. It would be such a dream trip for me to ever

be able to make!!! I highly recommend the book to anyone who is a lover of arts and crafts.
