Wrap Yourself Up in Divine DIYBy margot potterCreative Scarves Book ReviewTiffany M. Windsor, Heidi Borchers, Savannah StarrScarves are the perfect way to dress up a ho hum outfit in a flash. Creative Scarves offers the DIY enthusiast 20 projects from the simple to the sublime all accompanied by clear and easy to follow instructions and full color step by step photos. If youre an impatient crafter, like myself, there are several simple t-shirt ideas that can be completed in less than an hour. If youre looking for more challenging ideas,

they've got those too. From upcycled thrift shop finds reimagined into seriously stylish creations, to stunning felted couture worthy wearable works of art, to clever ideas like making a hybrid scarf from a sweatshirt hoodie, this book is filled with creative inspiration and a wide variety of aesthetics. There really is a little something for everyone here, and subsequently, a whole lot of bang for your buck. The book also has tons of techniques that can easily be used for other projects from home decor to fashion. Written by several generations of crafters, descendants of Aleene Jackson of Aleene's Tacky Glue fame, this is a worthy addition to any DIY enthusiasts library. This lovely book will inspire you with gorgeous pictures that will have you reaching for fiber to make your own scarf. Each scarf in the book introduces a new technique including dying, printing, felting, pom pom making, simple cutting, weaving and a super easy way to crochet without a hook! Plus there's an entire chapter on how to wear a scarf with about a dozen different ways to style your project once you've finished it. Now comes the hard part - deciding which of all the stunning scarves to make first!

Show off your scarf style! Why shop endlessly for the perfect scarf when you can create one that is perfectly you? In Creative Scarves you'll find 24 fashionably fun and incredibly easy design ideas to help you make (or make-over) your own gorgeous scarves for every outfit, occasion and season. Add your own personal touch as you sew, stamp, stencil, dye, bead, paint and trim your way to a complete scarf collection. Flip to the "Favorite Ways to Wear" section for tips on wearing your unique creations. Sew, stamp, stencil, dye, bead, paint and trim your scarves!

About the Author Tiffany Windsor, Heidi Borchers and Savannah Starr are 4th and 6th generation crafters. Hailing from the "first family of crafters" this creative team is no stranger to the creative community. As daughters of the beloved "Tacky Lady" Aleene Jackson, inventor of Aleene's Tacky Glue, Tiffany and Heidi grew up in a super-charged creative environment and continue to share their love of crafting and creativity. Savannah thrived in her grandmother Heidi's studio and credits her crafting time with helping her through a challenging personal time in her childhood. All three of these creative women share their craft tutorials and videos in the Cool2Craft.com creative community and teach in their active design studios and retail stores.
