Struggle through the woods of North Georgia as you refight the Battle of Pickett's Mill during the American Civil War. Take command of a division or a brigade, the choice is yours as the five scenarios in the book provide for both

regimental and brigade level games. These scenarios are designed to be used with almost any American Civil War regimental or brigade level set of miniature wargaming rules. Rules are included for figures based on 20, 30, 40, 50, 100, 150, and 200 historic men per figure/stand. Times are given for 10, 15, 20, and 30 minutes per game turn. Maps are in full color, as are the numerous color photographs of the modern battlefield. Also included is a full and complete Order of Battle for each side.
