Josh Carrington : Crimson City Inc. A Futuristic Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Crimson City Inc. A Futuristic Coloring Book:

0 of 0 people found the following review helpful. Great artist! He actually designed my Husbands tattoo for ...By Kate PeareGreat artist! He actually designed my Husbands tattoo for him and it came out amazing and he gets so many compliments on it all the time.0 of 0 people found the following review helpful. ExcellentBy Christopher PowerBig fan of this!0 of 0 people found the following review helpful. this book is great value for money as there is so much detail ...By Angela Bruntonthis book is great value for money as there is so much detail in the pictures it will give us hours of pleasure coloring them in. Also they are so unique its great to do something so completely different.

A detailed and interactive colouring book with over 25 unique and futuristic hand-drawn illustrations by ballpoint artist Crimson City Inc. - Features over 25 highly detailed and unique illustrations.- Includes simpler character-centric

designs and more intense full-page illustrations for more experienced colorists.- Provides hours of colouring and creativity.
