I haven't made anything yet because I have thousands of patterns but I have to say this book has some way cuter ideas then a lot of baby pattern books out there. I also love almost every month has boy and girl versions for each outfit.0 of 0 people found the following review helpful. Love the cheerleader jumperBy Teacher of TotsSeveral cute things to crochet in this book. I don't plan to make them all because there are always a few that look dowdy. Love the cheerleader jumper, the Christmas dress, and several others.t0 of 0 people found the following review helpful. Five StarsBy Peggy E. WigginGreat book! All of the patterns but one were winners for me!

Includes everyday essentials as well as cute outfits for holidays and special occasions.

"Twelve months of cheek pinching cute projects that will have you scrambling for your hook and the closest skein of yarn. You think the front cover makes you babble with glee, wait until you open it and take a wonder through the pages." (PeppermintMochaMama.blogspot.com 2014-07-02) "If you're tired of the same old same old patterns, designer extraordinaire, Tammy Hildebrand, just had her 'go to' book for baby crochet patterns published. Each month has a little boy pattern as well as a little girl pattern. And OH, they are so cute! This is a book that you should not miss." (NotYourGrannysCrochet-marty-blogspot.com 2014-07-07) "I really appreciate that she gives us two different patterns for each month instead of just cheating and giving one unisex look. More versatility, more crochet patterns, more fun." (CrochetConcupiscence.com 2014-07-09) "Tammy has created a collection of designs that will enable you to keep your baby well-dressed for their entire first year of life... You'll find sweaters, vests, dresses, hats, booties, swimsuits, and more, in a variety of styles ranging from cute casual outfits to super-dressy for holidays and special occasions." (Crochetville.com 2014-07-03) "Whether you're a mother, grandmother, or someone who just loves cute baby crochet, there is something for everyone." (AmbassadorCrochet.com 2014-07-17) "This book offers a great collection of patterns for baby's first year, for both boys and girls. And since babies tend to grow quickly, Tammy's quick patterns will help ensure your project is well off the crochet hook before that next growth spurt." (Crochet With Dee.blogspot.com 2014-07-21) "Tammy Hildebrand has authored a new book that will be a 'must have' for all who crochet for babies and tots. Crochet for Baby All Year is full of cutie-patootie fashions that will have you rushing to your yarn stash!" (JD Wolfe crochet.craftgossip.com 2014-07-18) About the Author Tammy Hildebrand is the author of Crochet Wraps Every Which Way and Vice President of the Crochet Guild of America.
