5 of 5 people found the following review helpful. No Pictures; not even a drawing!By NumeroUnoI enjoy looking at crocheted items that don't look like "Old Lady" crochet items. Unfortunately both my Kindle's only provide instructions but NOT ONE SINGLE PICTURE other than the one on the cover. Very very disappointed as I've enjoyed other craft, diet and cooking books for both the quality of their directions and PHOTOGRAPHS.8 of 8 people found the following review helpful. unfortunately AFTER buying it i realized there are no pictures ...By Customerunfortunatelly AFTER buying it i realized there are no pictures !!!!can somebody explain to me how you can write a crochet book without imagesat least of the finished product??3 of 3 people found the following review helpful. No pictures! Again a jewelry book with no picturesBy Liza alexisInstructive- party. It gives you the instructions, but doesn't tell you when to change colors not does it give you the pattern to follow the design. Sigh. The cover drew me in, but I have no idea if the pattern is in the book. Thankfully, the was a free read.
