disappointed by this (small) book : except for the cover, there are NO color pictures inside to illustrate the patterns, only black and white ones, of very poor quality, which does not make the projects very appealing. Not worth it ! I regret my purchase.0 of 0 people found the following review helpful. Four StarsBy mary wrightnice patterns4 of 4 people found the following review helpful. Missing the pattern to the picture on the frontBy Liza alexisPictures and instructions for the designs listed, but no pattern for the lovely EYE CATCHING necklace on front cover, which is sadly a theme in these jewelry books
