Hazel Henry, Lucille LaFlamme : Crochet One - Day Dainty Doilies, 20 Miniature Masterpieces before purchasing it in order to gage whether or not it would be worth my time, and all praised Crochet One - Day Dainty Doilies, 20 Miniature Masterpieces:

Create an assortment of miniature doilies as decorative accents for figurines, picture frames, bud vases and more. Or use them as lacy appliques for garments and pillows. Designs for 20 doilies are quick to stitch and a great way to use up left over thread, so make plenty for yourself and friends.
