From DRG Publishing : Crochet Precious Baby Booties 8740501 before purchasing it in order to gage whether or not it would be worth my time, and all praised Crochet Precious Baby Booties 8740501:

3 of 3 people found the following review helpful. I was hoping for more step by step photos but if I was a better crocheter these would be greatBy Jane B.These are a bit more complicated than I had hoped and the directions assume you actually know what you're doing. I was hoping for more step by step photos but if I was a better crocheter these would be great.0 of 0 people found the following review helpful. Great Crochet Book!By Good CustomerGreat book! Found several bootie patterns I like.I am a beginner @ crocheting and I was able to understand one of the patterns.Hope I can understand more of the patterns.3 of 3 people found the following review helpful. The book contains instructions for 12 different styles of baby ...By Anne BerthlotThe book contains instructions for 12 different

styles of baby booties. The book offers a variety of skill levels and that is helpful to a beginning crocheter. The group of crafters at our church is planning a day of crochet and knitting, looking forward to the experienced ladies helping and teaching others to make a simple pair of booties. We will be donating them to the Pregnancy Help Center where there is always a need for them.

Twelve soft pairs to caress baby's feet.
