I do find the Kindle version of this book a little bit hard to follow and flip through and wish I was able to see the photos of the finished pieces in color. (I have a Kindle paper white) I'm currently working on a lovely hat pattern for my husband. Directions are easy to follow.1 of 1 people found the following review helpful. Beautiful!By N. SmithLOVE! There's so many cute patterns in this book! I can't wait to try them all!1 of 1 people found the following review helpful. Very good bookBy VeniestaFirst crochet book I ever purchased that I adored everything inside
