5 of 5 people found the following review helpful. I LOVE THIS BOOK!By CVI love this book! the content describes a very simple and varied crochet concept that can result in a variety of designs. Yes, simple concept, but delightful results. I particularly appreciated seeing the variations in number of strands/beads used. Gorgeous results. Thank you! well worth the modest price.3 of 3 people found the following review helpful. wire and beads and crochet ~ total love!By marilyn petersThis is perfect for instant fashion and satisfaction. Wish they had shown more variety in techniques and did a little more on finishing.0 of 0 people found the following review helpful. good resource bookBy Deborah SpittelGreat Designs And Instructions For Beginners.
