Working on 1 now, but had to put it on hold for another cross stitch. Love the patterns. Can't wait to see my neice Mother's reaction to their surprise. I am very satisfied with this book purchaseBy Margaret C.I am very satisfied with this book purchase. My main reason for purchasing this book was to get the

Angels Around the World piece designed by Joan Elliott. David Charles makes really good quality books and I always prefer the hardcover editions. I know these will last through working on a project, even large ones, and I can hand them down to my girls in the years to come. 0 of 0 people found the following review helpful.
