Vintage designs inspire a host of greeting card options, from wedding and baby to everyday floral This practical collection of cross-stitch project cards provides exciting inspiration to stitch for family and friends. The cards are grouped so each design can be worked individually or as part of a set. Using a limited color palette and very little backstitch, the patterns are easy to follow and the cards themselves are practical in size. With silhouettes and old-fashioned sewing patterns, there is a vintage feel to this collection of motifs.
