**Joanne Sanderson : Cross Stitch Cards 100: Stitched Greetings for Every Occasion** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cross Stitch Cards 100: Stitched Greetings for Every Occasion:

0 of 0 people found the following review helpful. GreatBy GHPI wish there was a large variety of cards (for different occasions or just themes), but the ones they do have a just great! It even suggests different ways to "present" them (card colors, stitching, ways to cut the fabric). They have a lot of cute ones for babies and kids and it also shows you how to do different kinds of stitches. Just remember you don't have to necessarily do a card, you can stitch them unto a blanket, a hat, a towel....etc...etc0 of 0 people found the following review helpful. Very nice collectionBy PearlGirlThis book is broken down into sections so anyone should find something to their taste. The photos are large and bright, with good detail. The collection has more mature themes available which is good for variety.1 of 1 people found the following review helpful. Great designs!By Angie HicksI love this book! I can't understand why there is a one star review. This book is exactly what I wanted. There are so many cute designs in so many themes. There are birthday designs, fathers days, Mother's Day, new baby, retirement, Christmas, honestly any card you could need.

This work presents a fabulous collection of 100 cross stitch card designs to celebrate every occasion, from christenings and Christmas to Mother's Day and moving home. Each chapter showcases eight beautifully stitched themed cards, each with full stitching instructions, a range of inspirational embellishment ideas and clear colour charts. The final chapter presents a gallery of twenty quick-to-stitch small motifs, ideal for last minute greetings. This work helps you to make these up into gift tags when time is short or be inspired to use Joanne's papercrafting secrets to craft simple cards that make a big impression.

About the Author Joanne Sanderson is currently working on her first papercraft title for DC, 3D Rubber Stamping. She is a regular contributor to newsstand magazines including Card Making and Papercraft, World of Cross Stitching and Cross Stitcher. Joanne also produces designs for DMC kits and publications. She lives in Rotherham, Yorkshire.
