This series of cross-stitch chart books brings together the work of your favourite cross stitch designers. Each title in the series contains 10 pages of charted cross stitch designs on one popular subject. Every chart includes an easy-to-use key, and an inspirational colour photograph of each finished piece shows the fantastic results to be achieved. Each chart book also provides handy stitching tips and advice, stitch diagrams, guidance on techniques and materials, and a thread conversion chart to ensure you have all the information required to complete every design featured. Dive under the waves to discover dolphins and whales at rest and play. An adult humpback whale and her calf swim together through the sea, while an Orca whale leaps dramatically from the ocean. Gleaming dolphins jump from the waves,

both singly and in a playful pair. A colourful scene shows more dolphins, swimming above an exotic ocean floor of shells and coral. Motifs showing a pair of dolphins and a bold whale's tail splashing above the waves make ideal quick-to-stitch pictures.
