Lovely designsBy Inger FaberThere are some lovely and quirky designs like the Pillows on the front page. Others are beautiful in their simplicity. All in all a very inspiring book.0 of 1 people found the following review helpful. Five StarsBy Charlene AlcornGreat book, beautiful designs. One problem, designs done in anchor threads, had to convert to DMC.

Take inspiration from this very special collection of strikingly alluring patterns and projects from China. Celebrate Chinese New Year with a wall hanging, featuring all the animals from the astrological menagerie. Borrow images from the finest porcelains, and embroider them onto ginger-jar cushions. Many ideas for further designsand a library

of patterns will keep you happily stitching.
