Had put this book on hold at my public library but it never came through. I assume someone did not return it. The price was very good so I did not mind making the purchase. Shipping was fast. Many thanks.0 of 0 people found the following review helpful. Five StarsBy CustomerThank you!0 of 0 people found the following review helpful. A delight for fairy fanatics - over fifty fabulous designs to enchant cross stitchers everywhere. It has been said that 'fairies are not seen by the eyes but by the heart.' The popular cross stitch designers invited to contribute their designs

to this book have used their imagination to capture the qualities of the 'wee folk' in this magical collection of fairy designs, to delight and inspire stitchers of all abilities. Enchanting project ideas range from bags to banners, cards to cushions and pot lids to pictures, with full colour charts and step-by-step instructions for making up.
